Unicorns Handprint Unicorn Craft

SUPPLIES

- White cardstock
- Paint
- Yarn
- Glue
- Black marker
- Gold or bronze marker

DIRECTIONS

1. This first step is an optional step depending on the size of your child you can cut the paper in half if you would like.
2. Paint your child's hand using desired color of paint and carefully press down onto the paper. A
3. Once the handprint has dried, use the black marker to draw hooves on the unicorns, an eye, and mouth. Use a gold or bronze marker to do the unicorns horn.
4. Cut a few pieces of yarn and tie a knot at the top. Glue the knot to the unicorn's rump.
5. To finish your handprint unicorn, cut a few pieces of yarn and glue individual strands behind the horn for the unicorn's mane. Allow the handprint to dry. Have fun!
