Unicorns

Unicorn Rainbow Scissor Cutting Activity

Materials

1. Colored cardstock or construction paper
 2. Printable Unicorn Rainbow template
 3. Glue or use printable sticker paper
 4. Scissors
 5. Glue
 6. Markers
- **Printing is optional you can draw and color the rainbows or use stickers as substitute

Instructions

1. Print out the printable unicorn and rainbow template on sticker paper. Or you can use regular paper and glue.
2. Cut out rectangles of colored cardstock or construction paper.
3. Stick on your rainbow at one end.
4. Draw cutting lines with a thick marker.
5. Stick your unicorn on scissors and cut while chasing the rainbow!

Tips for cutting with little ones

- Sing open shut them to get the scissor action going.
- Always cut AWAY from your body.
- Draw a little smiley face on your child's thumb (or stick a little sticker on it) so they remember to keep thumbs up when cutting.
- Remind and help your child to turn the PAPER so they don't end up arching their cutting hand awkwardly into their body when cutting around shapes.
